17.. [redacted] - PLC) Discussed with Bill Shattuck, Counsel, Subcommittee on Claims of the House Judiciary Committee, H.R. 9061, which establishes policies and procedures for procurement of property and services by Federal agencies. The bill expressly repeals Section 3 of the CIA Act of 1949, which establishes the Agency's procurement authorities and amends or repeals DOD authorities upon which the Agency relies. Shattuck stated that the bill was prepared by Holifield based on the report and recommendations of the Commission on Government Procurement in December 1972. According to Shattuck, the bill will require extensive analysis. He agreed that the reference on pg. 16, lines 5 and 6, to the Federal Procurement Act of 1972, is erroneous and should read 1973. Shattuck offered to discuss any aspect of the bill and will send a formal Committee request to the Agency for comment should we so desire. He doubted that it would move very soon.
